Optional ComCare Services provide additional customer support and product services beyond the original manufacturer's warranty coverage. The ComCare Service Program is limited to eligible products purchased by businesses and other organizations in the USA and Canada (including governmental entities) and is not available to individual consumers. ComCare Service is available only to the original product owner and is not transferable. ComCare Service must be purchased with the product or within 90 days of product purchase. The full statement of ComCare Service coverage is printed on the Certificate of Coverage shipped with each covered product, and standard terms are available on our Web site.
